

Refrigerated display unit showcase

RD-ST-900

RD-ST-1200

RD-ST-1500

Model	Ltr	Unit Size W x D x H (mm)
RD-ST-900	308	900 x 715 x 1300
RD-ST-1200	430	1200 x 715 x 1300
RD-ST-1500	674	1500 x 715 x 1300

Product Features

- Vacuum sealed glass display case
- Stainless steel base
- Includes 3 internal fluorescent lights
- On castors
- Internally includes 2 adjustable glass shelves with a base shelf
- Self contained Danfoss motor
- 4 sided clear glass for maximum exposure
- +2°C to +5°C with an ambient temperature of +42°C
- Forced air circulation
- R134A green refrigerant gas
- 240V 10amp
- CFC & HCFC free
- Heated glass to prevent sweating
- Automatic defrost heater

Gastronorm upright stainless steel solid door chiller models

UGB-1D-CH

UGB-2D-CH

Model	Ltr	Unit Size W x D x H (mm)
UGB-1D-CH	580	675 x 840 x 2040
UGB-2D-CH	1285	1345 x 840 x 2040

Product Features

- Stainless steel interior & exterior
- +2°C to +5°C ambient temperature of +42°C
- Self contained Danfoss motor
- On castors
- Digital adjustable temperature controller
- R134A green refrigerant gas
- CFC & HCFC free
- Forced air circulation
- Recessed embedded handles
- Self closing doors
- Lockable doors
- Arc angled interior
- Polyurethane insulation to improve cooling & reduce energy consumption
- Heated doors to prevent sweating
- Automatic defrost heater
- Fitted with gastronorm sized shelves for easy loading and unloading
